

Team Performance Intensives

Think About Problem Solving

Boost Your Team Performance

COURSE SUMMARY

Build the thinking agility to define issues, partner effectively with others, and work through business problems more efficiently and productively. This group learning program is built on the foundation of Whole Brain® Thinking.

KEY BENEFITS

- Understand your thinking preferences and how they influence your approach to problem solving
- Appreciate other team members thinking preferences
- Improve problem solving by applying a practical framework
- Leverage the diversity of thinking styles to enhance team performance

DURATION

Half day for 8 - 20 participants

CLIENT SPECIFIC

This workshop can be tailored to address a particular team project or issue.

SUITABLE FOR

Intact teams
Virtual and cross-cultural teams
Changing and adding team members
