Team Performance Intensives

Think About Teams

Boost Your Team Performance

COURSE SUMMARY

Teams are the engine of the workplace today. Frequently, people who perform well on their own struggle to work together successfully. This can be because they fail to understand, appreciate or value each other's thinking preferences. During this workshop we will work through your team's profile, identifying individual areas of strength and possible blind spots and look for ways to leverage the teams thinking diversity.

KEY BENEFITS

- Improve communication
- Greater respect for diversity within the team
- Unlock opportunities for more collaboration

DURATION

Half day for 8 - 20 participants

CLIENT SPECIFIC

This workshop can be tailored to address a particular team project.

SUITABLE FOR
